# AMPHIBIAN RANGE

This range is bright and playful, yet ultra-durable and hard wearing. The non-absorbent PVC coated webbing does not allow water to penetrate, making this range instant-dry, odour resistant and easy to clean. Ideal for water bound activity and exposure to wet weather, dust and dirt.

### BUBBLEGUM FUNK

Stand out with bright duotone webbing with round edges, textured grip and black trims.

### INSTANT-DRY

Nonporous PVC coating ideal for water bound activity and exposure to wet weather, dust and dirt.

### ODOUR RESISTANT

PVC coating is non-absorbent, and does not lock in bad odour, making this the ultimate wet dog gear.

### ULTRA DURABLE

Components are weather resistant and hard wearing for all conditions.

### HYPOALLERGENIC

Webbing is easy to clean and suited for dogs with allergies or sensitive skin.
